

## Highland Railway Model Suppliers

This list is designed to give contact details of some of the suppliers who provide products for the Highland modeller. It is not exhaustive and does not imply the Society's endorsement of any supplier listed but simply lists some suppliers who members have found useful. We update it periodically but businesses do move, change hands and sadly, close so we can never guarantee it is up to date. If you cannot find the supplier you are looking for, we suggest trying [www.ukmodelshops.co.uk](http://www.ukmodelshops.co.uk) or the supplier text page at [www.clag.org.uk](http://www.clag.org.uk) as well as the usual search engines (Google, Yahoo, etc.).

Corrections or suggestions for additions should be sent to [trade@hrsoc.org.uk](mailto:trade@hrsoc.org.uk)
